Q's

~~Cont.~~

Are structures nano-needles yes.

Are nano needles HA?

Are intentionally added?

no-
(from companies)

probably, maybe

Are nano-needles

specifically engineered
to add in that form

don't know
unlikely

Could nano-needles exist or do they have to be "engineered" as a component of good-grade HA

?

HA - (Co) (PO) - probably, don't know

?

5/2017

Consult Experts?

- circulate document
- TIC for discussion

or.
These are our
conclusions.
Do you agree?

in next couple weeks?

Consider Questions we could ask see AMR.

8 Adv Gr.

Compliance: Interpretation

STAG

Nano safety — yes we know this
vs. the usual answer.

Safety of permitted form.

I don't know this
ask industry

→ Are they engineered?

→ use industry response.

they are not adding
HA. so irrelevant.

non STAGs
thought this paper

Contact
Industry — who is
adding what.

industry tras

CoI.

consider adding to STAG.

or recommend ~~some~~ ~~less~~

Food Additive vs Contaminant

[Hydroxyapatite from Calcium carbonate.
